Dear Valued Client:

One of the provisions of Senate Bill 1160 requires written disclosure of any financial interest a third-party administrator holds in a utilization review organization. We believe you are already aware that Status Medical Management is one of The Simon Companies, but as Labor Code now requires documentation, please review the attached notice. The notice will also be available on our website at www.simon-companies.com.

If you have any questions regarding this notice, please do not hesitate to call me or Paula at (209) 574-2800. We value our relationship with you and look forward to continuing to serve you in the coming year.

Sincerely,

Jeff Simon

CEO & President
